# RULES

- Please arrive 10 minutes early to review the rules.
- The room is equipped with a video surveillance system. An employee will be following the progress of the game at all times.
- For safety reasons, the door will be open at all times, but if you leave the room before the end of the game you will lose.
- The room has a clock indicating the time remaining.
- Mobile phones and cameras may NOT be used inside the room. Everything you need is inside.
- Do not force, push or bang on furniture, walls and props.
- Do not touch the ceiling, wires, or lights.
- There is nothing hidden behind or under the furniture, nothing overhead, under the floor.
- The room has some props which are not part of the game and are only there as décor. Please do not stand on the furniture.
- This room uses dramatic special effects including lighting, and loud sound effects that might cause fright.
- Children under the age of 7 are not recommended.
- All guests are required to wear a face mask at all times.
- All guests are required to wear gloves provided by an employee before entering the room.
- No food or drink is allowed in the room.

*Laissez les bons temps rouler!*
